

Dear Parent/Guardian,

Summer is a great time for your child to practice what he/she has learned throughout the school year. Engaging in reading a book for enjoyment is a great activity for your child. Summer reading is meant to be enjoyable! We want reading to be fun and relaxing. This year for summer reading, your child gets to select a book from the series or authors listed below. After reading the book, your child will complete a book review (see attached sheet) and turn it in to your new third grade teacher at the beginning of the school year. If you need another copy of the book review over the summer, you can find this information online at www.clarksvilleacademy.com.

Keep Reading!

Sincerely,

Mrs. Clemments
